IMPORTANT POOL INFORMATION

The hosting family may arrive up to 30 minutes early to decorate the room. A certified lifeguard will be present for all pool party functions. All children will be given a swim test before they enter the pool. All swimming parties will swim first, then move to other activities. Children still needing diapers must wear plastic-lined swim diapers. Guests must bring their own towels.

At least 2 adults must accompany children ages 5 to 8 in the water. Children ages 9 and up must be accompanied by at least 2 adults sitting on the deck next to the pool. Parents must complete a Release from Liability Form upon arrival and are responsible for completing the form for the children whose parents aren't present.
